Thank you for your interest in Marin Girls Chorus! Below you will find information regarding our 2023-24 tuition and fee schedule. Please note that we are now charging per semester so all pricing below is for one semester. This applies to all ensembles, including Concert Division, which asks for a year-long commitment. The chart below explains what is already included in the semester price. Each year one t-shirt will be provided for each chorus singer to wear for informal events. Students in the training and concert divisions will receive a new formal uniform as needed.

Payment Plans

Families are welcome to pay for the entire semester upfront or use our payment plan feature through ActivityHero.

All payment plans and credit card transactions through ActivityHero incur processing fees of 3.5% of each payment transaction total.

Financial Assistance

The [Marin Girls Chorus](http://marinchorus.org) provides sliding-scale financial assistance at all levels in our commitment to ensuring that every singer can fully access all of our programming. Applications are processed through a third party and Bay Area cost of living is taken into account when awarding assistance. Applications must be done through the ActivityHero scholarship program and can take up to three weeks to process. For more information, please email our Business Director, gretchen@marinchorus.org.
